

Latrobe Valley Tennis Association Grand Finals

The 2024-25 junior tennis season consisted of almost 250 players from 10 clubs across the Latrobe Valley.

The league had 9 sections this season with players aged 6 -18 years competing. "The matches this year were closer than ever", said LVTA president Sally Kirstine. "Approximately 20% of the matches each week were decided by game difference".

The Hotshots sections, with modified rules and low compression balls, enables tennis to be accessible to the younger children.

All players need to be congratulated for their efforts and sportsmanship throughout the season, along with all of the club volunteers and coordinators who assisted at the various clubs.

The 2024-25 senior tennis season saw 40 players from 5 clubs across the Latrobe Valley. We had 2 sections of doubles to cater for various levels.

Anyone interested in being involved for the next summer season, contact Sally Kirstine on 0403282630.

The grand finals were held on Saturday March 22. "We had great weather and some exceptionally close matches, with a couple of sections being decided by game difference - just what a grand final should be", said Sally.

Thank-you to all players, parents and club co-ordinators for a great season.

Anyone interested in getting involved in tennis, contact your local tennis club or search Hotshots at <https://hotshots.tennis.com.au/>

Throughout April – September, there are a number of tennis opportunities for juniors and adults.

Contact Sally (0403282630) or your local club for more information.
